## **OVERVIEW OF THE INVITATIONS TO BID AND INSTRUCTIONS TO BIDDERS**

Batavia Township issues these Request for Proposals as part of a Bid Process for the purpose of obtaining bids for the provision of Collection Services. Capitalized terms used throughout this Overview of the Invitations to Bid and Instructions to Bidders and attached Bid Documents are defined in Exhibit A, Definitions.

**Introduction.** The Township of Batavia, (“Township”) is releasing this Request for Proposal (“Bid”) to select a Collection Contractor to provide for the collection, transportation and delivery for disposal or processing of Solid Waste and Recyclable Materials generated by Residential Units, Township Facilities and during certain Special Events, if any, within the Township (“Collection Services”).

This Bid Process offers Bidders an opportunity to provide the Collection Services, depending on the bids accepted by the Township, to an estimated 10,631 Residential Units. If the Contract is awarded to a Bidder during the Bid Process, any Residential Units and Residential Unit Equivalents located within Batavia Township that elect to have curbside waste collection will be required to use the awarded Collection Contractor following the beginning of the contract term.

This information is provided for the Bidder’s convenience only. The Township does not require Residential Units and Residential Unit Equivalents to obtain curbside waste collection services and Units can “Opt-out” if they elect to not have curbside waste collection. The actual number of Residential Units will vary over the course of the contract period, and the Township does not guarantee the accuracy of this data. At the end of 2025, 7,263 households were serviced under the existing Agreement for Collection Services with Republic Services.

The Township will evaluate and award contracts for the Collection Services based on the Township’s requirements for the consideration of bids and awarding of contracts. These instructions incorporate the Legal Notice to Bidders.

There will be an informational, non-mandatory pre-bid meeting for interested Bidders for the Collection Services on May 28, 2026, at 10:00 a.m.

Qualified Bidders are invited to respond to the Invitations to Bid if they desire to provide the Collection Services for Residential Units, Residential Unit Equivalents, Township Facilities and for Special Events located within the Township. Bidders must possess the necessary experience, knowledge, equipment, facilities, permits, licenses, and insurance needed to provide the Collection Services upon which they are bidding, and be able to fulfill all of the terms and conditions contained in the attached Collection Services agreement. Bidders are required to submit proof of qualifications, references, experience and financial good standing to be considered for a bid award. Inexperienced or unqualified Bidders will not be considered.

Bidders must submit a complete set of Bid Documents to the Township in the manner described herein. After receiving the bids, the Township will review all bids and recommend a Successful Bidder(s) for provision of the Collection Services. The Township will individually execute an agreement with the Successful Bidder(s) that is substantially in the form of the draft agreements contained in the Bid Documents.

Bidders are required to submit a Bid Bond, and the Successful Bidder will be required to submit a Performance Bond in the amount required by each Township for each agreement for the Collection Services. Alternative bid proposals may be submitted if they are in addition to the requested bid proposals. The Township reserves the right to abandon participation in the Bid Process for any reason, and/or reject any bid at their sole discretion and waive any and all nonconformities or irregularities contained in the bid that do not affect price.

Every bid shall be signed and, if necessary, shall be accompanied by an appropriate power of attorney. Attorneys-in-fact who sign any Bid Documents must include a valid power of attorney with the submitted bid.

If the Bidder is not qualified to conduct business in the State of Ohio, the Bidder must represent and warrant to the Township that the Bidder will take all necessary steps to qualify to conduct business in Ohio, should the Bidder become a Successful Bidder. The failure of the Bidder to submit evidence of its qualification to conduct business within the State of Ohio within fourteen (14) days of receipt of a Notice of Award shall terminate the award and surrender the Bid Bond(s) or other bid security to the Township.

Each Bidder shall execute and submit the Non-Collusion Affidavit and the Personal Property Taxes Affidavit at the time of submitting a bid. Each Bidder shall complete and attach a

Qualifications and Financial Capability Statement, explaining in detail the experience of the Bidder in performing work similar to the Collection Services. The Qualifications and Financial Capability Statement shall include a list of management employees who will supervise the performance of the Collection Services. The Qualifications and Financial Capability Statement shall also include appropriate business and bank credit references with contact information who can be contacted to verify the financial condition of the Bidder. The Township reserve the right to request additional information with respect to the qualifications and financial condition of any and all Bidders, their subcontractors or personnel, which must be provided in writing within five (5) days of any such request.

Each bid for Collection Services shall include a separate Bid Bond in the amount of ten thousand dollars (\$10,000) made out to Batavia Township as security that if the bid is accepted, an agreement will be entered into within ten (10) days of receipt of the Notice of Award, in accordance with the terms and conditions of the agreement contained in the Bid Documents with each individual Township. The Bid Bonds of all Bidders shall be returned when the Township have executed the Collection Services Agreement with a Successful Bidder and have been furnished with the necessary Performance Bonds, or when any or all bids have been rejected.

The selected bidder shall have fourteen (14) days after notification of acceptance of the bid to deliver to the Township a Performance Bond or letter of credit in the amount of \$100,000.<sup>00</sup>. Said bond or letter of credit is to be executed by surety or banking institution satisfactory to the Township, guaranteeing both the faithful performance of the Contract and the due payment of all lawful claims for all labor, material and equipment used in the work. This Contract shall be subject to immediate termination by the Township at any time if said bond shall be cancelled or the surety thereon relieved from liability for any reason. Notice of cancellation of the bond must be served upon the Township ninety (90) days prior to the effective date of said cancellation. The Contract will not be terminated if within thirty (30) days of such notice the Contractor files with the Township a similar bond to be effective for the balance of the Contract period.

**Collection Services Provided and Compensation.** The Successful Bidder shall collect, transport, and deliver for disposal or processing all Solid Waste and Recyclable Materials generated by Residential Units, Residential Unit Equivalents, Township Facilities, and during Special Events to Designated Facilities and MRFs.

Bidders for the Collection Services shall submit bids for a per Residential Unit per month price. All bids shall be submitted in dollar amounts, and shall include any and all costs of collection, transportation, and delivery for disposal or processing of Solid Waste and Recyclable Materials.

All prices shall be inclusive of the Solid Waste Generation and any other state or local fees upon delivery to the designated sanitary landfill or transfer station, costs associated with processing of the recyclable material at the Material Recovery Facility chosen by the Collection Contractor, and provision of 65 gal. and 95 gal. wheeled garbage collection containers and 65-gal. (or equivalent size) wheeled recycling collection containers

The Contractor shall bill and obtain payment of charges from Residential Units and Residential Unit Equivalents on a quarterly basis.

All prices shall also be inclusive of services provided to Township Facilities and certain Special Events at no extra charge, detailed in Exhibit E to the Collection Services Agreement.

**Consideration of Bids.** All bids received in conformity with the Legal Notice to Bidders and the specifications therein shall be considered as soon as practicable and become a public record. An abstract of the bids will be made available after the opening of bids.

The Township will award the agreement to the Bidder that the Township determine, in the sole discretion of the Township, to have submitted the lowest price and best bid for the Collection Services (“lowest and best”). The “lowest and best” bid for Collection Services shall be determined by the Township based upon the lowest per Residential Unit per month price offered by the Bidder to the Township for the exclusive right to perform the Collection Services, as well as the best non-monetary terms and conditions. Factors that may be considered include reliability, serviceability, proximity of service provider and past experience with Bidder.

In the event that bids from more than one Bidder are of equal price for the same option, non-monetary criteria shall be considered as part of the determination of the best bid.

Bidders shall bid on the options described in Part I of Exhibit G. Bidders are also required to provide bid prices for Part II, additional mandatory collection services.

No bid will be considered that requires a Bidder be awarded any other service as a condition of acceptance of any bid. No bid will be considered that does not fulfill the terms and conditions set forth in the Bid Form. Bidders must disclose any and all exceptions to the Collection Services Agreement, and provide proposed substitute or revised language for any such exception to avoid a determination by the Township that any such exception is a conditional bid. The Township will not accept any alternative contract language that affects price.

All Bids shall remain open for seventy five (75) days after the opening, but any Township may, in its discretion, release any bid prior to that time and return the Bid Bond. A release as to an individual Township does not release the bid as to any other Township.

The Township may conduct any investigation deemed necessary to assist in the evaluation of any bid and to establish the responsibility, qualifications and financial ability of any Bidder, proposed subcontractors and other persons and organizations who will provide the materials or equipment or assist the Bidder in the delivery of the Collection Services.

Each Township will deliver Notices of Award within 30 days of approval by each Township’s legislative body. When a Township sends such Notice of Award to the Successful Bidder(s), the Township will forward at least two (2) unsigned counterparts of the appropriate agreement(s). Within ten (10) days thereafter, Successful Bidders shall sign and deliver to the Township at least two (2) counterparts of such agreement. Within forty (45) days thereafter, the Township will deliver one (1) fully signed counterpart of such agreement to each Successful Bidder. If any Successful Bidder fails to execute and return the agreement within ten (10) days of receiving a Notice of Award, then the Township, at their option, may determine that the Bidder has abandoned the agreement. The Township may then determine that the bid is null and void,

and the Bid Bond or other acceptable bid security accompanying the bid shall be forfeited to and become the property of the Township.

The Collection Services Agreement, if awarded, will be awarded to the Bidder(s) submitting the lowest and best bid considering all options and considering such factors, including but not limited to, the bid price per ton, non-cash incentives, or the cost per Residential Unit.

Notwithstanding these provisions, the Township reserve the right to negotiate agreement terms, as permitted by law, with the Bidder determined to be lowest and best and the right to accept or reject any or all bids.

**Bid Submission Process.** The Township will receive sealed electronic bids for the Collection Services until 11:00 a.m. on June 18, 2026, which will be electronically opened at that date and time. The public opening will occur at the Batavia Township Community Center at 1535 Clough Pike, Batavia, OH 45103.

By the submission date for each bid, Bidders must submit one (1) hard copy and one (1) electronic copy of the bid clearly marked "COLLECTION SERVICES BID," and must include the Bidder's name.

All Bids shall:

- a) be submitted on the Bid Forms contained in the Bid Documents;
- b) contain all information/documentation required by the Bid Documents;
- c) include one (1) electronic copy; and
- d) Include a Bid Bond for the Township as security that if a bid is accepted, a contract will be entered into within ten (10) days of the Notice of Award, in accordance with the terms and conditions of the agreements in the Bid Documents. Any questions relating to the bid submission may be addressed to [kswartz@bataviatownship.org](mailto:kswartz@bataviatownship.org).

Bids may be modified or withdrawn by an appropriate document duly executed and delivered in the same manner as bids are to be submitted at any time prior to the opening of bids.

**Bids will be considered valid until 75 days after the bid opening date, although not accepted or rejected.** The Township may, in their discretion, release any bid prior to that time and return the Bid Bond.

Copies of the Bid Documents may be obtained from Batavia Township's website under Legal Notices at <https://bataviatownship.org/notices.html>. In order to ensure that potential Bidders receive addendums, if any, Bidders must email Karen Swartz the submitting company, contact name, email address, phone and fax numbers. Providing complete information is the only way to ensure that interested Bidders receive subsequent Bid addendums, if any.

**Representations and Warranties.** By submitting a bid, each Bidder represents and warrants to the Township that:

- (1) Bidder has read and understands the Bid Documents;

- (2) Bidder will provide the Collection Services in compliance with all federal, state and local laws, ordinances, rules and regulations that may in any manner affect costs, progress or performance of the Collection Services; and
- (3) Bidder and Bidder's agents and subcontractors shall not discriminate, by reason of race, color, religion, sex, military status, age, disability, national origin, or ancestry, against any person or employee of the Bidder.

**Questions.** No interpretation of the meaning of the Instructions to Bidders or Bid Documents will be made to any Bidder orally. A written request for an interpretation of the Bid Documents may be addressed or e-mailed to Karen Swartz, Batavia Township, 1535 Clough Pike, Batavia, OH 45103, or to [kswartz@bataviatownship.org](mailto:kswartz@bataviatownship.org). Any such written request for interpretation must be received on or before June 2, 2026 to be given consideration and to ensure sufficient time for the Township to issue a response. Any interpretation or supplemental instructions will be in the form of a written addendum to the Instructions to Bidders and Bid Documents which, if issued, will be provided to all prospective Bidders (at the respective e-mail address required to be furnished for such purposes), no later than June 8, 2026. Failure of any Bidder to receive any such interpretation or addendum shall not relieve such Bidder from any obligation under their Bid as submitted. Any addendum issued shall become part of the Bid Documents and will be available for inspection in the same manner as the original Bid Document.
