

Trash Update 10-12-2026

Republic Services has been in a delayed service for a the last two weeks. We are getting conflicting information from residents and representatives at Republic. Residents can reach out to Republic for service updates. If your service was skipped for a week, you should request a refund for that week for lack of service.

While the Township contracts the trash service for residents, we don't control operational issues with the provider. Republic reports several maintenance issues as the reason for delay. We will be switching to Rumpke on Nov. 1st.

To help get thru the transition, the Township will have dumpsters available at two locations. The Township Park, at 1535 Clough Pike and at the Service Department at 2401 Old SR 32. Please take household trash to these locations, if needed. Sorry for the inconvenience to residents.
