GOVERNMENT FORMS & SUPPLIES 844-224-3338 FORM NO. 10148

The Batavia Township Deputies took 67% of the incident reports, and 67% of the offense reports. Property recovered totaled \$305.00 (personal property). We patrolled 448 neighborhoods. Clermont County Senior Services – Bill DeHass, CEO

Bill DeHass spoke about the levy on the May Ballot. It is a renewal, not an increase. The levy dollars help keep our vehicles up to date, equipment, etc. More than 90¢ of every dollar goes back into the community. These funds support services that keep adults in their homes. They provided 40,000 rides last year to medical appointments for Seniors.

In 2025, Senior Services assisted 400 adults with Meals on Wheels, adult day care (including in-home respite care), light housekeeping, home repairs, etc. They provided over 34,000 hours of in-home care last year. Senior Services is always interested in having adult volunteers to help with this program, which helps leverage every dollar we receive.

Audio Visual Upgrades – Parallel Technologies – Joe Carroll and Julie Carnes

Karen introduced Joe Carroll and Julie Carnes who explained the proposal for the equipment needed for the township meeting room. They reviewed the quote for the necessary upgrades to stream the meetings and the additional equipment to be purchased. The Board requested more information, which Parallel Technologies will follow up on.

Moment of Silence

Mr. Parsons spoke about Ms. Leone, her leadership, and how she, as a talented designer, designed the stained glass on the courthouse on Main Street; she was also a public servant. There was a moment of silence for the passing of a Batavia Village Resident, Kathy McCoy Leone.

COMMITTEE REPORTS

Chief Roy Short gave the March update for Central Joint Fire & EMS District listed above.

Mr. Parsons reported for the Batavia-Union Cemetery Board. The monthly meeting is tomorrow night. The joint meeting with the Village will be Monday, May 11th, at 6:30 p.m at the Village Offices.

SERVICE DIRECTOR REPORT

Cody Smith, Service Director, gave the March report.

We had quite a bit of storm clean-up, trees down, cemeteries, the park, etc.

We finished the berming project on Summit Road on both sides of the road.

There was a landslide on Apple Road, that was going to cause damage to the bridge during a rain event, so repairs were completed.

Staff are inspecting and replacing culvert pipes to start off our paving project this year. They also inspected all the curb and gutter, and catch basins as part of our pavement prep process.

We unwinterized the concession stand, bathrooms, and waterpark. Irrigation is scheduled for May.

We had two full burials, one cremation, and zero sales. We completed the spring clean-up in all six township cemeteries.

There is one lot remaining in Forest Grove. There were zero lot sales in Kinsdale and Willow Grove, and one lot sale in Heritage Farms, which is now complete. One individual lot was sold outside of a subdivision. Additionally, there were two multifamily sales in Olivewood (Phase 1).

The average home sale price for March 2026 was \$345,000, with a year-to-date average of \$382,886.

Current housing inventory includes 92 homes available in Kinsdale, 182 in Olivewood, 1 remaining in Forest Grove, and 54 remaining in Willow Grove.

Staff processed a total of 59 permits in March.

There are no agenda items scheduled for the Zoning Commission. The Board of Zoning Appeals has four cases scheduled for April 27.

The United Dairy Farmers (UDF) on Winemiller Lane will be demolished and redeveloped with a new prototype similar to the location at SR 125 and Amelia Olive Branch.

Mr. Parsons inquired about the former Frisch's building. Mr. Corbett indicated he does not have any additional information at this time.

TOWNSHIP ADMINISTRATOR REPORT

Karen Swartz, Township Administrator gave her March report.

Karen spoke about the CDBG grant application for Amelia-Olive Branch sidewalk Phase 5. This would connect the two neighborhoods to the park that are currently not connected.

Last year we approved a township match to realign Elmwood Road, taking out a curb. This project will take place this year.

The April Junk Days will take place April 23rd thru April 25th 8:00 a.m. to 2:00 p.m. This is only for Batavia Township and Batavia Village Residents. IDs will be checked. Refrigerators must be freon free. Paint cans must be dry (they can be filled with kitty litter). No tires will be accepted.

We have our Fire Levy Open House on Thursday, April 9th from 6-8 p.m.

Karen is working on getting updated software for the sign out front.

The turf around the splashpad will get repairs this week.

Karen met with Batavia Schools about growth in the area, issues in the community, including projected numbers and increasing residential growth. The Superintendent advised that Batavia numbers are up, but enrollment is down from projections due to several factors, such as school choice, private schools, smaller families, and people waiting to have children. The School District is currently able to handle additional growth due to these factors and previous planning by the School District. All of these issues have reduced enrollment from previously projected numbers. School Districts south of Batavia are experiencing lower enrollment numbers due to factors such as more homeschooling, private schools, etc.
